Work Party Thank you!

The Board and Staff would like to thank and acknowledge all parents for your hard work and support in maintaining the centre. It can be very difficult to keep our centre clean and safe for all your children. With your help the children now have a wonderfully clean and safe environment to learn and play in.

Outdoor Gear

March is here, this marks the end of winter and the beginning of spring. (Actually I think that was a few weeks back) At the moment the children still need their winter gear but please be ready with their lighter coats and muddy buddies when the weather changes.

Labelling Needed

Please remember to label all of your child's belongings, this includes:

1. Lunch kits and containers
2. Sharing toys on Mondays
3. All of your child's clothing (Please have at least three sets of labelled clothing in their cubby.)

A wonderful way to label all your gear is with "Lovable Labels" please go to the link on our website.

Fruit Basket

We appreciate and thank all of the families for bringing fruit for sharing. The children are enjoying fruit for snack in the morning or in the afternoon.

Hot Lunch

As a reminder for those families who are ordering hot lunch for their children, please make sure your order forms are in by the **last FRIDAY of the month**. (We will no longer be able to accept orders the day before or day of a hot lunch order!)

Toy Day- Reminders

Every Monday is a toy day a very exciting day of sharing, please note:

1. It is called toy day not toy's day- please make sure your child brings one toy on toy day.
2. Do not forget to label the toys
3. Please make sure the toy your child chooses fits in their cubbies.
4. Also the staff would greatly appreciate it if the toys you bring do not make noise. (Fire truck sirens, toy babies crying etc... get very tiring at the end of the day. Thank you!!!!)
